BEST BREWERY FOOD

1 THE PHOENIX ALE BREWERY CENTRAL KITCHEN

Three words, carb lovers: mashed potato pizza. Executive chef Brad Borchardt – who trained under Daniel Boulud and Thomas Keller – and his team churn out cast-iron pizzas, hand-crafted sandwiches (try the house-made pastrami Reuben or grilled pimento cheese) and mains that would not be out of place in a steakhouse, like the humbly named but richly executed Steak ‘N’ Taters, which pairs prime flat iron steak with red bliss mashed potatoes and Ironwood Porter mushroom gravy. 5813 N. Seventh St., Phoenix, 602-313-8713, centralkitchenaz.com
